The amount of the fees will be increased by the VAT that corresponds in each case.

*For companies that **do not** have the EBT or Spin-off qualification of any Galician university, the fee will be increased by 10% on the general rate in the third year, 20% in the fourth year and 25% in the fifth year for the rental of laboratory spaces.*

Rate A: General annual rate. *Fee bonus: EBTs or spin-offs will have a 50% bonus in the 1st and 2nd year. Subsequently, they will be subsidized with 40%, 30% and 25% in the 3rd, 4th and 5th year respectively. Subject to the approval of the management of the CIM, special conditions for the establishment of strategic partners may be negotiated.*

Rate B: Daily base rate. *The base rate will be reduced for multiple bookings (multiple days) according to the following formula: Rate (daily or general basis) x (number of days booked)*

^ 0.65

Tariff C: Projects not included in Tariffs A or B. This rate will apply to all those projects or entities that do not meet the conditions established for Rates A and B, including, among others, those developed by organizations whose corporate name is not located in Galicia or that are not considered EBT or Galician university spin-offs. The economic conditions and conditions of use will be negotiated individually, taking into account the nature of the project, the expected duration and the degree of collaboration with the CIM or its strategic partners.

In all cases, the agreed rates will be subject to the corresponding VAT and must be approved in advance by the CIM Management.
